Background:

Established in 1984, Ming Fai is one of the leading PRC-based supplier and manufacturer of quality amenity products and accessories. With over 20 years of operations in the PRC, it has an established position in the industry. The Company boasts a direct-sales clientele of famous hotels, hotel chains and airline operators, as well as major international distributors of amenity products. By strengthening the foothold in the niche market, it aims to expand into the mid-range and chain budget hotel market in the PRC.
